SPECIAL BUSINESS

Resolutions 7 to 9 - Approval to Issue Options to Directors

Listing Rule 10.11 requires a company to obtain the approval of shareholders before issuing securities to a related party of the Company. Related party includes a Director of the Company. Passing Resolutions 7 to 9 will permit the Directors named in the tables below (or their nominees) to acquire options in the Company.

Resolutions 7, 8 and 9 are proposed to issue the following unlisted options to each of Chiang Wee Tiong, Grant Anthony Robertson and Kim Chan Koh:

| Name of Director | No. of unlisted Options |
|---------------------------|--------------------------------|
| Chiang Wee Tiong* | 1,241,130 |
| Grant Anthony Robertson** | 880,000 |
| Kim Chan Koh*** | 110,000 |

- **Subject to the re-election of Chiang Wee Tiong as a Director in accordance with Resolution 3.*
- ***Subject to the re-election of Grant Anthony Robertson in accordance with Resolution 4.*
- ****Subject to the re-election of Kim Chan Koh in accordance with Resolution 5.*

The terms of the options to be issued to the Directors named above are as follows:

Each of these unlisted options:

- entitles the holder to acquire one ordinary share in the capital of the Company;
- will have a nil issue price and be issued in lieu of remuneration;
- has an exercise price of \$0.075;
- must be exercised within 5 years from date of issue;
- will be escrowed for 12 months from date of issue;
- will be issued no later than one month after the date of the Meeting; and
- will be otherwise issued on the terms set out in **Annexure A** attached to this Memorandum.

The total number of shares that may be issued pursuant to the options proposed to be granted under Resolutions 7, 8 and 9 represent about 5% of the shares on issue at the date hereof.

The last sale of ordinary shares occurred on 16 September 2010 at a price of \$0.071. Based on a Black-Scholes Option Pricing Model calculation, the indicative value of an option subject to Resolutions 7, 8 and 9 is \$0.019. The assumptions for this calculation are:

| | |
|------------------------|---------|
| Option Exercise Price | \$0.075 |
| Share Price | \$0.071 |
| Expected Life (Months) | 5 yrs |
| Volatility | 15% |
| Risk Free Rate | 6.25% |
| Resultant Option Value | \$0.019 |

ASX Listing Rule 7.1 requires the prior approval of shareholders in general meeting to issue securities if the number of those securities exceeds fifteen percent (15%) of the number of the same class of securities at the commencement of the relevant twelve (12) month period. This rule does not apply in respect of an issue made with the approval of holders of ordinary securities under ASX Listing Rule 10.11. If approval is given under ASX Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1.

Also by obtaining shareholder approval, the Company retains the ability to issue further shares or options of up to fifteen percent (15%) of its ordinary shares under Chapter 7 of the ASX Listing Rules to take advantage of opportunities to obtain further funds if required and available in the future.

No funds will be raised by the issue of the options the subject of Resolutions 7, 8 and 9. If the options are exercised the funds received will be applied to the working capital requirements of the Company at that time.

The issue of options under Resolutions 7 to 9 (both inclusive) is to satisfy a term of engagement between the Company and the directors and are subject to shareholder approval.

The exercise price of options subject to these resolutions represents about a 5.6% premium to the Company's ordinary share price at 16 September 2010.

Under ASX Listing Rule 10.11 an entity may only agree to issue securities to a related party (including a director) if the agreement to issue the securities is conditional upon holders of ordinary securities approving the issue before the issue is made. Resolutions 7 to 9 (both inclusive) are proposed for the purpose of obtaining that approval.

The Directors, other than those subject to the resolutions described above, recommend that shareholders vote in favour of these resolutions. The Directors subject to these resolutions, because of their interest, make no recommendation in relation to these resolutions.

Resolution 10 - Adoption of Employee Retention Option Scheme (2010)

The Company seeks shareholder approval to adopt the Employee Retention Option Scheme (2010). The terms of the Employee Retention Option Scheme (2010) are outlined in **Annexure B**.

The purpose of the Employee Retention Option Scheme (2010) is to enable the Company to provide Directors and employees with an additional incentive to work to improve the performance of the Company, to attract and retain eligible persons essential for the continued growth and development of the Company, and to enhance the relationship between the Company and eligible persons for the long term mutual benefit of all parties.

The total number of options which may be issued under the Employee Retention Option Scheme (2010) must not exceed 2,231,130 being about 5% of the shares on issue at the date hereof.

The last sale of ordinary shares occurred on 16 September 2010 at a price of \$0.071. Based on a Black-Scholes Option Pricing Model calculation, the indicative value of an option subject to Resolution 10 is \$0.019. The assumptions for this calculation are:

| | |
|------------------------|---------|
| Option Exercise Price | \$0.075 |
| Share Price | \$0.071 |
| Expected Life (Months) | 5 yrs |
| Volatility | 15% |
| Risk Free Rate | 6.5% |
| Resultant Option Value | \$0.019 |

As the Employee Retention Option Scheme (2010) is new, no options have been issued under it.

Resolution 10 is proposed to obtain approval for the issue of options under the Employee Retention Option Scheme (2010) under ASX Listing Rule 7.2, exception 9.

Under ASX Listing Rule 7.1 an entity must not issue, or agree to issue, more than 15% of its capital without the approval of its members. By obtaining shareholder approval under ASX Listing Rule 7.2 exception 9, options may be issued under the Employee Retention Option Scheme (2010), without the need to obtain approval pursuant to ASX Listing Rule 7.1 for a period of 3 years (subject to the provisions of the ASX Listing Rules). By obtaining shareholder approval to the issue of options under the Employee Retention Option Scheme (2010) pursuant to Resolution 10, the Company retains the ability to issue up to 15% of its capital to take advantage of any capital raising opportunities.

NOTE:

Unless otherwise specified, all monetary amounts are expressed in Australian dollars.
